

ASHBROOKE HOUSE SCHOOL

INDEPENDENT SCHOOL FOR BOYS AND GIRLS AGED 3 TO 11

ASHBROOKE HOUSE SCHOOL

Curriculum Policy

Ashbrooke House follows the programs of study described in the National Curriculum; please see individual subject policies for further detail.

The teaching of two languages - French and German forms an integral part of the Curriculum in Key Stage 2.

The Curriculum represents the experiences, opportunities and activities that we offer in school to help the children learn and develop.

The basic skills of literacy and numeracy are of fundamental importance but in addition we aim to provide a broad curriculum to enable the children to develop all their many talents, a wide range of skills, their curiosity and interest, and their understanding of the world in which we live.

We also recognise the importance of the children's personal, social and spiritual development so that they develop in a 'whole way'.
